The screenshot shows the SENSE CLOUD web application interface for brand management. The browser address bar shows 'www.linearsense.com/brand.php'. The left sidebar contains navigation options: Dashboard, Master Setup, Transaction, Marketing, Sense Deal, Customer, User, and Report. The main content area has a 'Brand' filter set to '-- SELECT ALL --', a 'Status' filter set to 'Active', and a 'Display All' checkbox. A 'Select' button is visible below the filters. Below the filters is a 'Brand List' modal window. The modal includes an 'Add New' button, a '10 records per page' dropdown, and a search input field. A table with columns 'No', 'Brand Name', 'Description', 'Created On', 'Updated On', and 'Action' is shown, but it is currently empty with the message 'No data available in table'. The modal also shows 'Showing 0 to 0 of 0 entries' and navigation buttons for 'Prev' and 'Next'. The footer of the page contains the copyright notice: '2013 © Linear Sense Technologies (M) Sdn Bhd'.
