

## 2.Master Setup

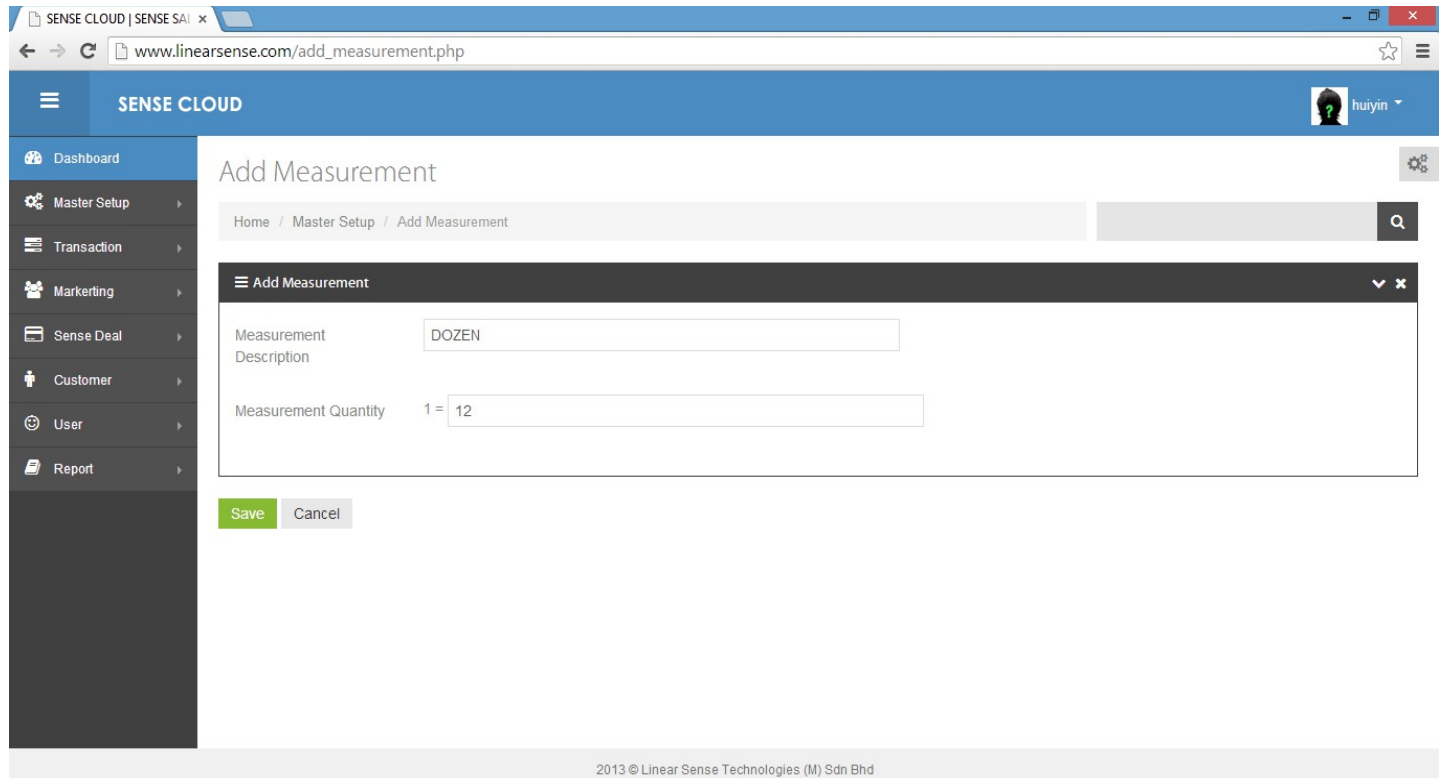

### j.Measurement

The screenshot shows the SENSE CLOUD web application interface. The browser address bar displays 'www.linearsense.com/measurement.php'. The page title is 'Measurement Inquiry'. A left sidebar contains navigation options: Dashboard, Master Setup, Transaction, Marketing, Sense Deal, Customer, User, and Report. The main content area features a 'Measurement Filtering Option' panel with dropdown menus for 'Measurement' (set to '-- SELECT ALL --') and 'Status' (set to 'Active'), a 'Display All' checkbox, and a 'Select' button. Below this is a 'Measurement List' panel with an 'Add New +' button, a '10 records per page' selector, a search box, and a table with columns for 'No.', 'Measurement Description', 'Measurement Quantity', 'Created On', 'Updated On', and 'Action'. The footer contains the text '2013 © Linear Sense Technologies (M) Sdn Bhd'.

- Click **Add New**

## Step 1. Add New Measurement

- **Key In Measurement Description\***
  - **Measurement Quantity\***
  - **Click Save**
- \*Must Complete**

SAMPLE:

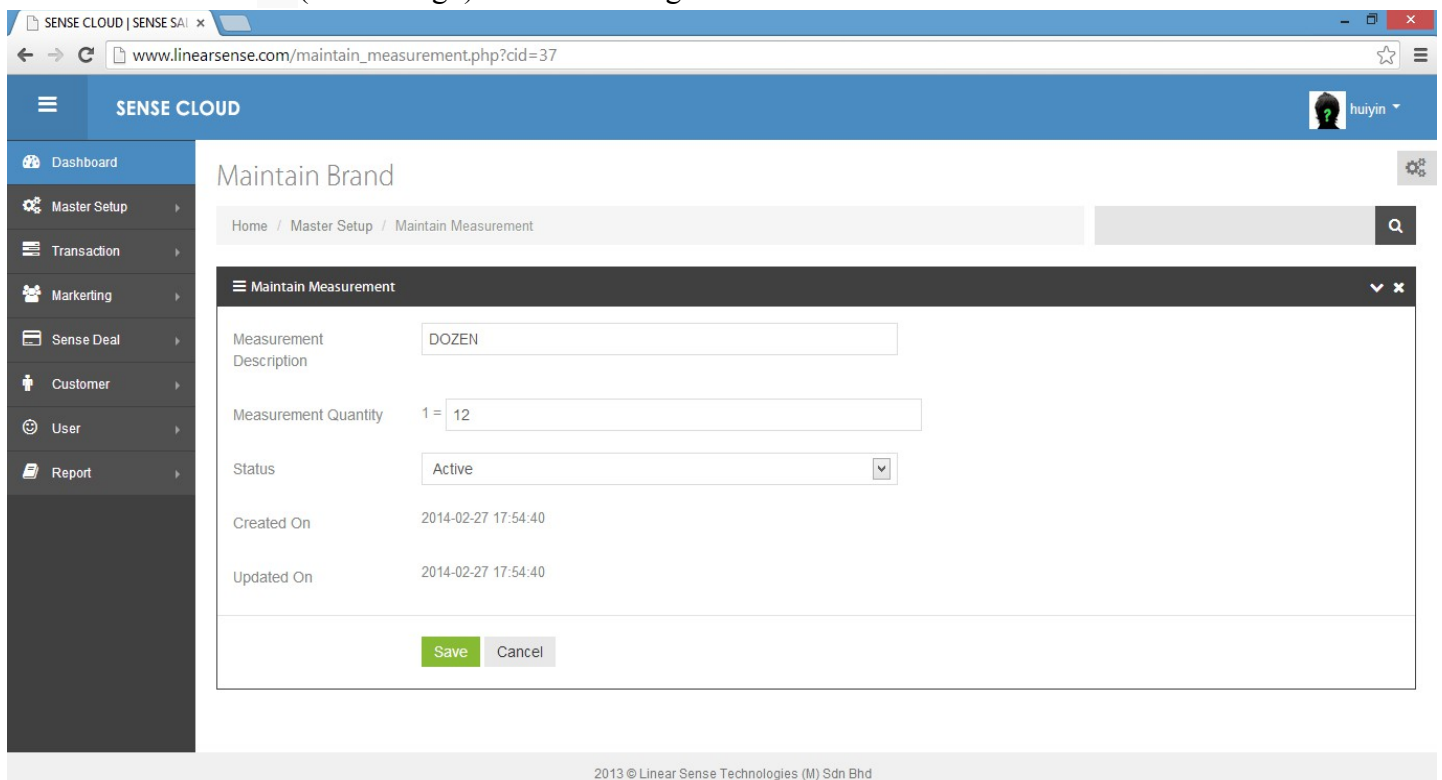

Measurment Description:DOZEN  
Measurement Quantity : 1 = 12

## Step 2. Edit Measurement or Inactive Measurement

2013 © Linear Sense Technologies (M) Sdn Bhd

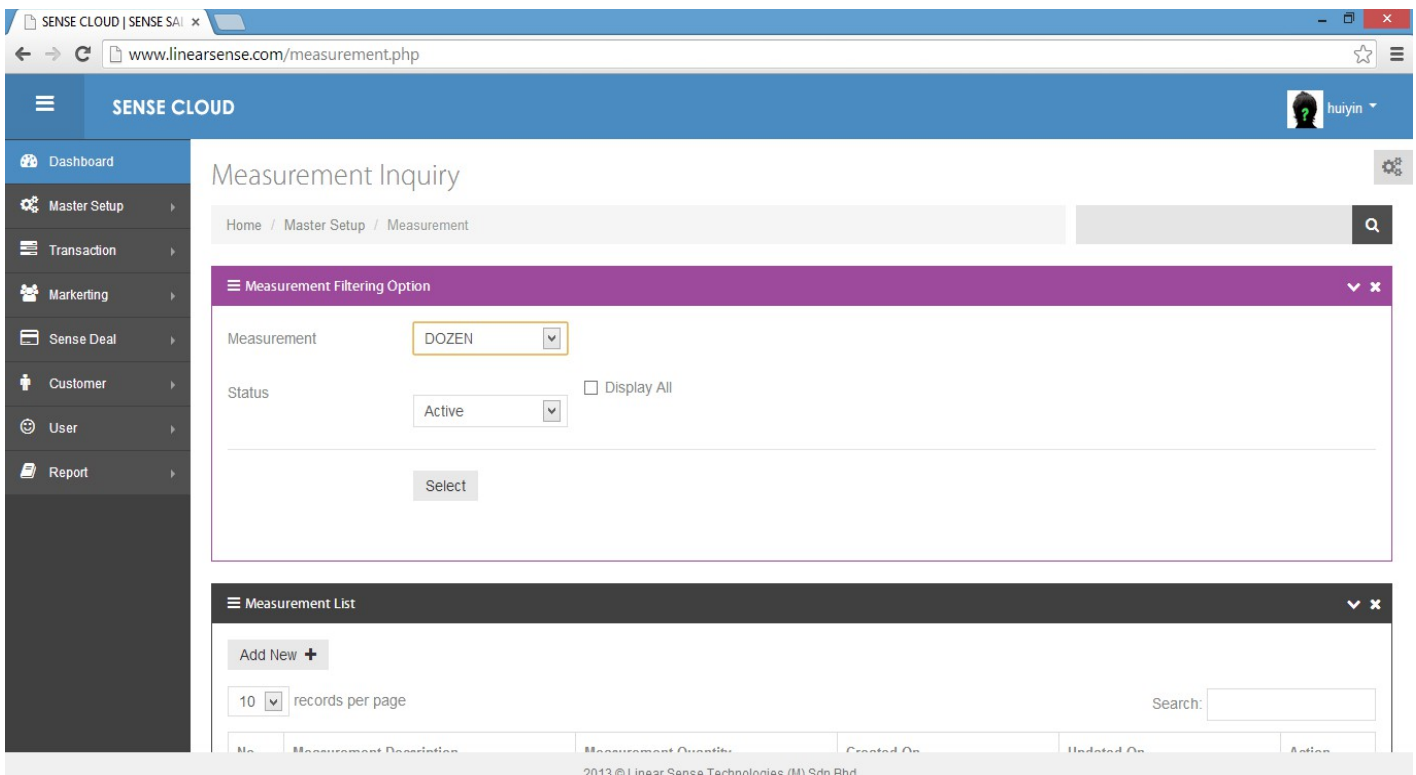

- Every Existing Measurement can be editing or Inactive.
- Click on the  (Pencil Logo) to make editing or to make the Measurement Inactive.

2013 © Linear Sense Technologies (M) Sdn Bhd

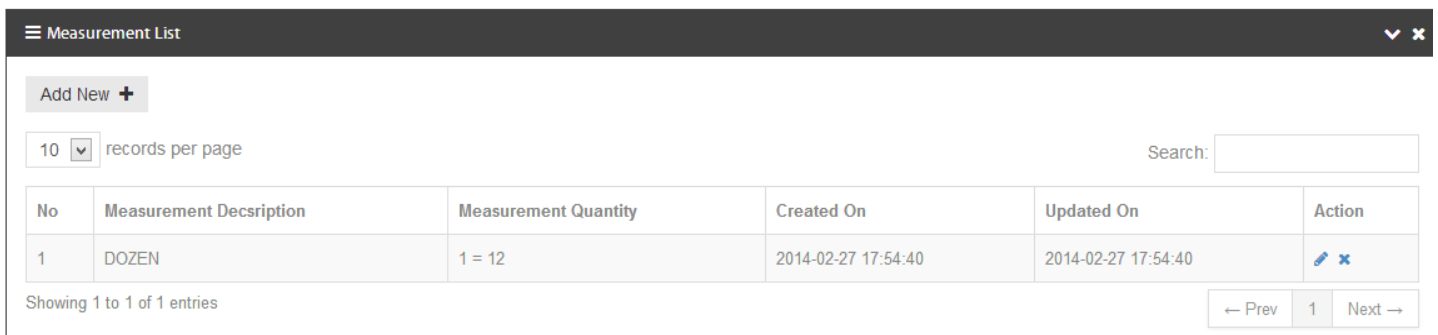

- After Edited or Inactive Measurement.
- Click Save.

### Step 3. Search Measurement ( Measurement Filtering Option)

The screenshot shows the SENSE CLOUD interface. The main content area is titled "Measurement Inquiry" and includes a breadcrumb trail: Home / Master Setup / Measurement. A "Measurement Filtering Option" dialog box is open, allowing users to filter measurements. The "Measurement" dropdown is set to "DOZEN", and the "Status" dropdown is set to "Active". There is a checkbox for "Display All" which is currently unchecked. A "Select" button is visible at the bottom of the dialog. Below the dialog, the "Measurement List" table is partially visible, showing columns for No, Measurement Description, Measurement Quantity, Created On, Updated On, and Action.

- Select Measurement
- Select Status / Tick Display All
- Click Select  
(Selected Measurement will be shown as below)

The screenshot shows the "Measurement List" table with one entry. The table has columns for No, Measurement Description, Measurement Quantity, Created On, Updated On, and Action. The entry for "DOZEN" is shown with a quantity of "1 = 12" and creation/updated dates of "2014-02-27 17:54:40". The "Action" column contains edit and delete icons. Below the table, it says "Showing 1 to 1 of 1 entries" and there are navigation buttons for "Prev", "1", and "Next".

No	Measurement Description	Measurement Quantity	Created On	Updated On	Action
1	DOZEN	1 = 12	2014-02-27 17:54:40	2014-02-27 17:54:40
